inca

The Inca range offers a timeless design which incorporates Greogry's award winning Dual Density Posture Support seat technology which pioneered the ergonomic seating market. Most models from the Inca range have achieved certification with the Good Environmental Choice Label which recognises products that meet standards of environmental, quality and social performance. This landmark range accommodates all areas of the office, medium, high back, executive and visitor. The 2 lever seat and back tilt provide the user with the ultimate solution in your workplace. All models are available in your choice of fabrics or an express range of selected fabrics for quick delivery.

"...pioneered the ergonomic seating market."

Range Features:

- Medium or high back
- Large seat, high back and extra high back manager can be fitted with a heavy-duty kit
