SERATI MESH

YOU REALLY NEED TO SIT IN ONE

The elegant design of the Serati Mesh range combines the ergonomics of the Donati Pro-Control and Body Weight mechanisms and the fully contoured exo-skeleton back with 12 position back height adjustment. Designed to provide lumbar support where you need it, the exo-skeleton can have an optional headrest fitted to provide the ultimate in seated comfort.

Suited to any task, the Serati Mesh has as many or as few adjustments as you need. Serati Mesh Pro-control is perfect if you want everything to be adjustable. Or for simplicity choose the Serati Mesh Body-weight version, you simply sit in it and get on with your day.

We back it up with our 10-year warranty (2 years for 24/7).

Quite simply this is a very good chair, you really need to sit in one.

BRINGING MOVEMENT TO YOUR WORKPLACE

The Serati Mesh chair is an elegant and functional synchro-mech ergonomic chair, super comfortable for office use, also suitable as a hard-working intensive use chair. With two distinct models; the Serati Mesh Pro-control where everything is adjustable, or for simplicity choose the Serati Mesh Body-weight version, you simply sit in it and get on with your day.

Donati Synchro mechanism; 2 options

- **PRO-CONTROL** quick adjust tilt tension with forward tilt 'on-off'
- **BODY-WEIGHT** self adjusting synchro mechanism with fine tune adjustment.

Both with:

- Tilt lock
- Height adjustable backrest
- Seat slide
- Dynamic mesh back
- Black powder coated aluminium base with polished footplates
- 4D lockable, adjustable armrests
- 2D adjustable headrest
- 160kg weight guarantee
- Seat upholstered in Gabriel Fighter fabric or Neo Black leather

Suitable for:

- Executive offices
- Intensive use
- Ergonomic seating
- Boardrooms
- Home office
