## standesk pro memory

**standesk pro memory** is a beautifully designed and engineered electric height adjustable sit-stand workstation using a sophisticated 3 height memory system with a separate keyboard that rests at your existing work height

**standesk pro memory** has 2 larger work surfaces to enable greater flexibility when in operation. **Keyboard Size = 800mm x 300mm, Desktop Size = 900mm x 540mm**

The **standesk pro memory** converts your existing desktop into a sit-stand workstation and gives you the ergonomic benefits of sitting and standing at your existing desk without the expense and inconvenience of purchasing a new desk

- **3 memory height positions** as well as an up/down button – just press the button to make the unit go to any pre-determined position without having to hold the button.
- **Anti-collision feature** for the unit going **up or down** ensuring safety of the user and surrounding items.
- **Automatic sleep/standby function to save power.** To power up the unit, just touch any button.
- **Simpler assembly** of the unit because most of the parts are pre-assembled. It will take half the time to assemble.
- **Improved functional design** that is ergonomic, user friendly and **aesthetically pleasing.**
- **Proven reliability of the electrical system.**

**standesk pro memory** has 2 larger work surfaces, one for the keyboard and mouse and the other a large and generous desk area to accommodate your monitor, or your laptop. **Standesk pro memory** has infinite height settings for any height you may desire and is adjustable automatically in seconds!!

### Features

- Memory height adjustment - just by touching a button
  - Sits on top of an existing desk, no need to add additional expense buying another desk
  - When used it will help reduce cardiovascular disease and reduced incidents of neck and back pain
  - The standesk pro memory Electric Sit-Stand workstation will give you increased productivity, energy levels and overall mental and physical fitness, all within an affordable budget.
  - No pinch points for personal safety, and eliminates the possibility of power cords being cut creating an electrical hazard and electric shock.
  - Ease of operation with Sensor touch activating buttons - just touch the button to activate. They are conveniently located in the centre of the outrigger
  - Go anywhere, transportable and compact especially if you change work area or re-location
  - Affordable, cheaper than buying another complete desk and most other sit-stand systems
  - For the best experience, it's best to use a wireless keyboard & mouse
  - Single monitor fixing assembly included
  - Small footprint - raises and lowers in a vertical plane
  - Colours available in White and Black
  - Infinite incremental height adjustment possible
  - Sturdy and stable even when fully extended
  - Conforms to AS/NZS60335.1 Electrical Standards
  - Tested by AFRDI
- **KEYBOARD SIZE: 800mm x 300mm**
  - **DESKTOP SIZE 900mm x 520mm**
