

SIT STAND BALANCE STOOL

The new Perch is another addition to our Sit Stand collection that ties in with the Ovation desk.

The Balance Stool is a dynamic seating option that features a convex base which allows its user to move freely in a manner that is natural to our behaviour. This relieves stress of an otherwise static loading of our musculoskeletal system.

The Balance can be used in a sitting position or raised up in to what is referred as a “perching” position.

The seat features a thin layer of moulded foam covered in a blue or black fabric.

10 Year warranty.
