ergotron®

moving you forward

WorkFit Corner

- Notched worksurface fits flush against any 90-degree cube or office corner desk to make the most of previously unusable space
- Easily modifies an existing corner cube or office space without the cost of expensive professional installers
- Wide worksurface keeps notes, three-ring binders and papers in full view while working
- Largest keyboard tray of any WorkFit fits a variety of keyboard and mouse options
- Extremely stable and solid platform fits surfaces as shallow as 24" (61 cm)
- Ships fully assembled with out-of-the-box installation that gets you standing faster
- Tested and guaranteed with a full five-year warranty

IMPROVE YOUR CORNER VIEW

WORKFIT™

Designed with the corner in mind, the WorkFit Corner Standing Desk Converter offers 15 inches (38 cm) of easy vertical adjustment so you can work sitting or standing without bumping into cube or office walls. The WorkFit Corner sits flush to any cube or office corner thanks to a large notched worksurface that fits single and dual monitors. Get more from your corner configuration by using up dusty corner space and taking advantage of more worksurface on both sides of your sit-stand workstation.
