

WIRE GRID BASKET

INSTALLATION INSTRUCTIONS

Alternative Brackets

STEP 1- CLIP ON WIRE BASKET MOUNTING BRACKETS

Determine desired position of Mounting Brackets and clip on to wire basket by pushing upwards under top wire and then inwards until Bracket is clipped in securely

STEP 2- MARK HOLE POSITIONS

Align Brackets to underside of Desk Top and mark through holes in Brackets with a Pencil ensuring wire basket is running parallel with Desk

STEP 3- SCREW/AFFIX BRACKETS TO UNDERSIDE OF DESK TOP

Affix Brackets on to Desk using appropriate screws for Desk thickness

IMPORTANT:

PLEASE ENSURE APPROPRIATE SCREWS ARE USED TO SUIT DESK THICKNESS
