The Anti-Gravity

Meet Elevar Anti-Gravity Caddy, the modern twist to your traditional file cabinet. Crafted for the hustle and bustle of today's work environment, this personal locker moves in sync with your adjustable work station.

Experience and innovative twist
on a traditional file cabinet with
the Elevar AG

Everything you need is within arm's reach, and when you step away, everything is tucked away securely in the lockable drawer. Hang your backpack or briefcase on the handy coat hook, keeping your floor clutter-free. Plus, with the optional USB-A+C fast charger, your devices stay powered up and ready to go.

Benefits

- Opens up your workspace for better usability
- Swaps out clunky, pricey drawer pedestals
- Includes a lockable drawer that closes softly
- Simple to position and secure with a clamp

Features

- Fits desks of 5 to 44mm
- Optional punch-out to suit ELSAFE DOT Wireless charger
- Gentle close feature for quiet operation
- PET felt-lined interior for protection
- Lock included for added security

Specifications

- Product dimensions (w x d x h): 256 x 350 x 445mm
- White or black options available
- Comes in one piece
