

CS Secure 24/7 Controller Chair Black Fabric

The CS Secure 24/7 is built for sheer strength, engineered as a super heavy-duty controller chair upholstered in black fabric with an exceptional 250 kg load rating, a reinforced heavy-gauge mechanism, and an oversized 830 mm six-star steel base that delivers rock-solid stability in nonstop 24/7 environments. Designed for the most demanding control rooms, dispatch centres, surveillance hubs, and industrial workspaces, it pairs its extreme structural durability with ergonomic comfort, including 2x detachable neck rests for multi-shift use & inbuilt pivot arms for long-shift support. Also available in Black Vinyl
